VISION

Work as a family with main focus , to promote our brands in the region by providing top quality products and services to all our customers, in addition to growth of our own People and Partners.

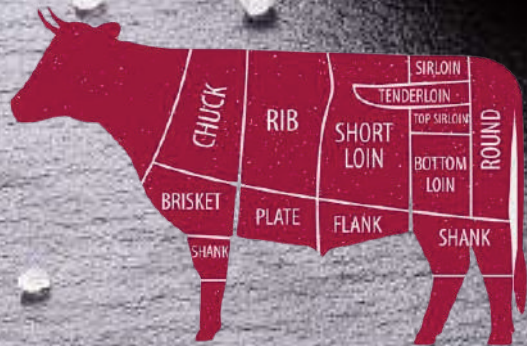

MISSION

Create best customer experience in all of our stores
To provide a healthy,friendly and rewarding environment to our employees.
to stand as the leader in importing,marketing and distributing
premium brands within selected categories.
To become socially responsible and give back to
the community we live in.

“The secret of our successful SGC lies in its corporate values. These central values of doing businesses began with senior officials and employees and trickle-down all the way through the corporate structure to entry-level associates and trainees. The shared set of our core values that are now inherent in our behaviors”

- DR. SABER BUKHARI ,CEO
